RELEVANT EXPERIENCE

▪ PROJECT PLANNING AND IMPLEMENTATION

- The following are highlights of the many projects I was involved in:
 - MGM Grand Videowall installation and maintenance
 - The New Frontier Sportsbook Videowall
 - 72nd Annual Academy Awards
 - 100th US Open PGA Golf Championship
 - The Official Washington DC Millennium Celebration
 - 2000 Daytona 500
 - World Film Premiere of Star Trek Insurrection
- Developed local talent through training programs.

▪ CREATIVE VISION, TECHNICAL AND PROBLEM SOLVER

- Created distinctive Resort Marketing Video packages, mastering a finished production with multiple languages to target the resort demographics.
- Developed travel and entertainment programs showcasing Thailand's ethnic cultures and environmental beauty, distributed worldwide.
- Founding member and Producer for CineVegas International Film Festival.
- Successfully produce over 50 3D productions worldwide

▪ PRODUCTION DESIGN, DEVELOPMENT, COMMUNICATIONS

- Health/Travel Producer for Wealth TV, Field Producer/Interviewer and Camera.
- Produced news magazine format TV shows aired in Australia.
- Produced commercials and Infomercials for American based consumers.
- Consulted on design and implementation of medical information programs.

- IEEE Associate Member 1980- 2003

RECOMMENDATIONS

- "3doo is very excited to collaborate with one of the true visionaries of 3-D entertainment, with global reach. Al Caudullo combines a vast body of technical knowledge, peerless experience, and pure passion for 3D to attract countless viewers from every corner of the globe."- *Ingo Nadler, President, 3doo, Inc.*
- "Al is one of the pioneers in the 3D production space. I have had the pleasure of working with him on many 3D documentaries as distributor. The success that his films have had and continue to have with content buyers from all over the world shows that Al's work is of high quality, both on a storytelling and a technical level. We look forward to working with him in the future on more 3D projects." - *Torsten Hoffman, CEO, 3D Content Hub*
- "Al is one of the most technical savvy guys in 3D that I know. His knowledge is undoubted and one of the first guys in Asia to be able to build his own 3D rig, successfully edit and grade. As this is such a young technology at this point Al's understanding of the format and his ability to translate that to functioning equipment is second to none." - *Ric Lawes, Owner, Location Thailand Ltd.*
- "Al is a 3D evangelist. His passion and unsurpassed drive contribute immensely to the entire 3D community." - *Sandy Climan, CEO, 3ality Digital Studios*
